

In Partnership with

Livonia Public Schools Foundation

IMPORTANT ANNOUNCEMENT!

We have great news! Tennyson Chevrolet will donate \$200 to the Livonia Public Schools Foundation for every new or pre-owned vehicle purchased by an LPS employee or someone who is referred to Tennyson by an LPS employee. In addition, all LPS employees will be eligible for GSU pricing (see dealer for details).

Tennyson Chevrolet has a large inventory of pre-owned vehicles, many of which are GM Certified pre-owned. These may qualify for lower interest rates and special warranties.

Please visit the new car department of Tennyson Chevrolet at 32570 Plymouth Road in Livonia or call 734-425-6500. For pre-owned vehicles, contact Dan Buchan at (734) 425-6500, or stop by and see him at Tennyson Chevrolet's pre-owned vehicle location at the same address.

Simply bring a copy of this notice to qualify for the GSU Plan and the LPS Foundation donation.

Thank you on behalf of Tennyson Chevrolet and the Livonia Public Schools Foundation.
