

## 2018 EMPLOYEE GIVING CAMPAIGN

Our success is **your** success, since each dollar donated by you is returned to you in grants for the benefit of your students.

With simple payroll deductions or a one-time gift, you ensure that we can continue to fund grants at an ever-increasing rate. Since the program has been in existence, the LPS Education Foundation has distributed \$182,760 to more than 90 grant recipients.

We are totally dependent on your continuing generosity. Our goal is to increase your participation year over year. Please consider the Foundation in your giving plans.
